

Role: Design Manager

Location: Ireland

Salary: Competitive

The Role:

We are seeking an experienced **Design Manager** to join our growing water and wastewater business. As a Design Manager, you will be responsible for the successful delivery of the project assigned to you from a budget, programme and safety perspective from concept through to handover, while understanding and agree the clients project requirements.

Main Duties and Responsibilities:

- Agreeing levels of resource against the programme.
- Ensuring production of all documentation required to manage the project in line with CDM requirements.
- Compilation of weekly / monthly reports as dictated by the project.
- Monitoring of design outputs against the design deliverable schedule including remedial cause of action as required.
- Confirming that all regularity standards are adhered to.
- Technical governance and sign off is adhered to.
- Chair design meetings.
- Contribute to the production of the design cost for individual schemes.
- Coordinate the design engineers across all disciplines.
- Ensure that principal designer duties are administered and discharged in line with CDM 2015.
- Develop and update the design management plan.
- Producing design briefs, incorporating the requirements of all the project needs, including mechanical, electrical and civil interface.
- Producing and reviewing sub-contractor enquiry documents to enable all design to be incorporated.
- Ensure all disciplines design are incorporated into the 3D model.
- Report and gain approval for change.

Experience/Qualifications Needed:

- 8 years demonstrated design experience.
- Experience of managing multidiscipline teams.
- Experience of managing multiple small projects or single larger projects.
- Principle designer status.
- Chartered Engineer preferred or working towards chartership.

Personal Attributes / Values:

- An organiser who can coordinate on multiple fronts
- Structured thinker
- Client-focussed

- Facilitator of innovative thought and ideas
- Strong leadership qualities
- Commercial & Contractual Awareness
- Excellent attention to detail
- Strong team player but also able to work as an individual
- Ability to prioritise a varied workload and demonstrate good time management to comply with deadlines
- Able to work in a busy environment under pressure
- Excellent communication skills
- Possess a “can do” attitude who can provide support to other members of the team as required

What we offer you:

- Competitive salary.
- Opportunity to develop and progress
- Opportunity to join an ambitious company
